

# SETC Assistive Technology Support Services

	Fee	Student Centered Support	Classroom Centered Support	Bldg. / District Level Support	Regional & Statewide Support
<b>Telephone &amp; e-Mail consultation</b>	No fee	Contact us at any time with questions related to student, classroom or district assistive technology (AT) needs.			
<b>Discussion forum</b>	No fee		Log in anytime to seek or share information & insights on AT topics. Questions regarding individual student needs should be made through telephone or e-mail contact.		
<b>Lending library (1 month trial loans)</b>	No fee <sup>1</sup>	Borrow AT devices or software for a 1-month trial loan. Try direct interventions with a student, integrate into curricular activities or use for staff development. Print and video resources are also available for staff development.			
<b>Webinar tech. overviews &amp; demos</b>	No fee	A webinar is an Internet-based presentation combined with telephone communication. See the SETC website for a calendar of regularly scheduled webinars on a variety of AT topics or call to schedule a webinar on a topic or product of your choice.			
<b>Hands-on technology assistance at SETC site<sup>2</sup></b>	\$150 per school team (2 hours)	Meet with a SETC staff member at a SETC site to explore the implementation of specific software or other AT products according to the needs of your student(s) or classroom. See the SETC website for a calendar of session dates & times.			
<b>Classroom observation &amp; consultation</b>	\$125 per hour <sup>3</sup> \$200 per hour <sup>3</sup> for 2 SETC staff	We offer informal student-specific, classroom-specific, or multi-classroom AT consultation at your site. We can evaluate the usefulness of technology you own, suggest new solutions, make technology implementation recommendations, and provide technical assistance.			
<b>Collaborative consultation via video conference</b>	\$275 (3 hours)	Meet with 2 SETC staff members for student-specific AT planning. See the SETC website to download the application & guidelines.			
<b>Collaborative consultation at SETC site<sup>2</sup></b>	\$275 (3 hours)				
<b>Classes and workshops at SETC site<sup>2</sup></b>	1/2 day - \$60/person Full day - \$90/person				See the SETC website for a calendar of classes, workshops & presentations.
<b>Classes and workshops at your school site</b>	1/2 day - \$800 <sup>4</sup> Full day - \$1200 <sup>4</sup>		See the SETC website for a detailed list of inservice offerings. Choose hands-on workshops & presentations from this list or request a custom training designed to meet the specific needs of your classrooms, staff and students.
